## **SEMINAR ON EUROPEAN MILITARISM IN AMSTERDAM**

**April, 14th 2019 in Amsterdam**

The Dutch committee Oorlog is Geen Oplossing (War is No Solution) and the anti-militarist research group VD AMOK together with the Network No to War – No to NATO are inviting

Some weeks before the European Union Parliamentarian elections we want to discuss about a Europe in peace. This is more than the EU. We also want to analyze the actual policy of militarization of the EU.

In the seminar there will be three sessions:

1. On the way to a European army and the expansion of the EU to a global power

Speakers: Mark Akkerman (Stop Wapenhandel – Netherlands), Roger Cole (Peace and Neutrality Alliance – Ireland), Kathrin Vogler (MdB Die Linke – Germany).

2. The Atlantic counteroffensive

Speaker: Kees van der Pijl (University of Sussex – emeritus)

3. The action of the peace movement and the peaceful alternatives like an inclusive Europewide common security system.

Speakers: Tiny Kox (Senator Socialist Party Netherlands), Kees Nieuwerth (Dutch Quakers)

It would be great when you could attend this meeting in the Netherlands and take part in the debate. The language will be English.
